

Dear Selection Committee,

My objective is to secure long term opportunity with a quality company that offers challenges that will utilize and grow my skills in areas that are a good fit for my computer, programming and networking experience and expertise. I believe I would make an excellent candidate for your firm because of my training with product development, support and my desire to bring my strengths to the success of your organization.

My constant attention to detail has been the key strategy to many of my business successes in both the computer and media oriented industry positions I've held. 10+ years experience in the computer industry, are representative, in all aspects of planning, development, management, maintenance and customer service satisfaction.

With over 10 years of computer hardware & software support and over 6 years software development experience my skills would be integral to increasing profitability and growth for your company. I enjoy the challenges of developing additional skills and training to provide better service to your company and it's customers.

I would like to thank you for considering my application and look forward to hearing from you.

Cheers,
Graham Brookins
